## Blue Mountains culture & nature

Just 90 minutes west of Sydney, the Blue Mountains is a World Heritage area of stunning natural beauty, sweeping vistas & vast swathes of pristine bushland. Join Boutique Mountain Tours with an all inclusive flexible itinerary that helps avoid the crowds and make the most of your day.

We begin the day taking in the variety of views in the scenic Wentworth Falls area. Your experienced guide will also take you exploring to some of their favourite locations and spectacular bushwalks.

At Echo Point, beside the famous Three Sisters rock formation, we visit Waradah Aboriginal Culture Centre for an insight into this fascinating ancient culture with a dynamic dance performance by Gundungurra warriors.

Enjoy a 2 course restaurant lunch with starters.

We head down from the mountains for a hands on Australian wildlife encounter and a chance to feed Kangaroos and have a photo with a Koala!

Return to the city in style with a wonderful river cruise (included) from near the site of the Sydney 2000 Olympics, passing under the Sydney Harbour Bridge before ending at Circular Quay.

Our experienced tour guides will adjust the itinerary each day to adapt to conditions and maximise your experience.
